

## STUDENTS MAKING PROGRESS NOW ON SURVEY OF COUNTY

### A. F. Fondaw Re-Elected Sec- retary and Treasurer at State Meeting.

A. F. Fondaw, head of the commercial department of the Fairmont High School, was re-elected secretary and treasurer of the commercial section of the State Educational Association during the convention held at Charleston last week. During the sessions of this department Mr. Fondaw also read a paper on the subject, "The Needs and Prospects as Applied to Commercial Education in West Virginia." This department was inaugurated at the previous convention, Mr. Fondaw being the first secretary and treasurer. W. E. Buckley, principal of the high school, E. E. Church and the Misses Malissa O'Connell, Iva Hustad and Mabel Myers, in addition to Mr. Fondaw, have all returned from Charleston and have resumed their work in the various departments of the school. Although a number of the members of the faculty were absent from the school last week the activities among the student body have progressed with alacrity. An economics project of special importance is in the process of formation at the present time. The economics class under the supervision of E. E. Church is in charge of the plan. The idea of the plan will be to make a survey of the industries of Marion County as the big project of the class during the semester.

Mr. Church recently sent forty letters to the heads of the various local industries, asking for cooperation in the work. A number of replies embodying a desire to cooperate and carrying an expression of approval of the work have been received by Mr. Church. When the survey is completed all the data will be mimeographed and collected in pamphlets, to be used in the benefit of the school and the organizations involved in the survey.

The members of the class undertaking the work are Kenneth Deebower, John Callahan, Robert Cayton, Mulford Collins, Helen Dehott, Lantz Tolson, A. Ginkler, Ruth Harr, Percy Henry, Leland O'Connell, Mike Rapchick, Frank Romano, Edna Short, Robert Sloan, Rhel Tarleton, Lewis Tebinski, Harold Villa and Thomas Wise.

The work is being undertaken with the idea that it will result in giving the students a clearer conception of production and distribution than would be received from a textbook study. All the local industries will be visited by the various students and a complete idea of the workings of these organizations will be obtained, according to the plan of Mr. Church.

A new supply of manuals for the botany classes, the course being reinstated this year under the direction of Miss Jennie Harshbarger after several years' absence from the school program, arrived at the school Friday. A set of cases for the microscopes is also being installed at this time.

The H-Y Club met at the Y. M. C. A. last night at 6:30 o'clock. W. E. Buckley, principal of the high school, was the guest of honor. The semi-monthly fee of 25 cents each was collected at the meeting. Orchestra in Demand.

Another organization in the school activity engaged at present is the Fairmont High School Orchestra, which is directed by Miss Pauline Kirk. The orchestra is booked for an engagement at the Y. M. C. A. tonight; it will appear on the Women's Club program Thursday and will play Friday night at the "Father and Son" banquet at the Presbyterian Church. Bill Evans, a high school student, will make the toast to the fathers at this time.

Print Own Posters.

An interesting feature of the work in the athletic department at this time is the fact that programs containing the line-up and a score card will be on sale for the Fairmont-Fairview game Saturday. The programs will sell for 10 cents each. A printing outfit, recently purchased by the school, will be

used in printing posters for the game Saturday.

The organization of Girl Scouts is planning to give a second performance of the play, "The Toy Shop," recently presented at the high school auditorium. If a second performance is held the play will be shown Friday night. The tickets will sell for 25 and 35 cents each.

A popularity contest, under the management of the business department of the Maple Leaves staff, is being started at the school this week. The contest will be held in the form of a regular election, this week being devoted to the primaries. Nominations may be made for the price of 5 cents and votes may be cast for 1 cent each. Freshmen may vote for freshmen only, sophomores are only allowed to cast votes for members of their class and so on during the primary election. The general election will be held next week and the following week will be devoted to the final voting. The nominations will be made as follows: Girls, freshman, flapper; sophomore, flapper; junior, flapper; senior, coed; boys, freshmen, cookie nipper; sophomore, candy anker; junior, cake-eater; senior, tea hound.

### How to Make Pine Cough Syrup at Home

Has no equal for prompt results. Takes but a moment to prepare, and saves you about \$2.

Pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several elements that have a remarkable effect in soothing and healing the membranes of the throat and chest.

Pine cough syrups are combinations of pine and sugar. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy that money can buy, put 2½ ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup.

Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and tastes very pleasant.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and light, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "2½ ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
